

For Immediate Release

Thomas Protective Service, Inc. Named to DiversityBusiness.com's Top 100 Privately-held Businesses in Texas, Top 100 Diversity Owned Businesses in Texas, Top 100 Women Owned Business in Texas, and Top 500 Women Owned Businesses in the Nation for 2011 and once again in 2012.

Information

Distinguishing themselves as one of State of Texas and the Nation's "**Top Entrepreneur's**", Thomas Protective Service, Inc. was recently acknowledged by DiversityBusiness.com for their overall leadership and economic achievements. The award, known as the Div500 represents the nation's most successful privately-held businesses.

2012 will mark DiversityBusiness.com's 12th annual listing of the Nation's top businesses. The Top Business Lists have become compilation of organizations which have revolutionized the strength of financial viability throughout our communities. The winners have become a highly respected source of reference for corporations, government agencies and educational institutions who desire to increase opportunities with privately held businesses.

"We have a great future ahead of us, especially as entrepreneurs continue to reinvent products and services that transform the way we live says Kenton Clarke, CEO of Computer Consulting Associates International, the company that founded DiversityBusiness.com. Our nation's business leaders are relentless. It isn't a mere coincidence to see our competitive spirit still alive and persevere under any circumstances."

The List

This List is a classification that represents the top privately-held businesses in the U.S., in sectors such as technology, manufacturing, food service and professional services. Large organizational buyers throughout the country that do business with multicultural, small and women-owned businesses use the list. The List is produced annually by DiversityBusiness.com, the nation's leading multicultural social media website that links large organizational buyers to multicultural product and service suppliers.
