### WENDY THOMAS EARNS MEMBER STATUS WITH AMERICAN COLLEGE OF FORENSIC EXAMINERS INSTITUTE <sup>™</sup>

SPRINGFIELD, MO – Wendy Thomas of Kaufman, Texas has been awarded status as a **Member** of the American College of Forensic Examiners Institute <sup>™</sup> (ACFEI).

The ACFEI is the world's largest forensic science association, and part of its mission is to recognize the experience, education, and dedication of professionals who maintain the highest ethical and forensic service standards.

### ABOUT ACFEI

The ACFEI covers a broad range of forensic specialties. The association actively promotes raising forensic science awareness, and it supports its members as they work to advance their fields.

The ACFEI also contributes to raising the standards of forensic science by producing educational programs and encouraging continuing education in the many forensic science disciplines.

ACFEI serves as the national center for this purpose and circulates information through its journal, *The Forensic Examiner*, lectures, seminars, conferences, workshops, continuing education courses, and home-study courses.
